

Quick Setup Wizard Guide?

This Wizard is designed to create new company with user account and bank details in one single form, which will make ChequePRO up and running within a minute or 2.

Once Logged in go to Maintenance option on the main menu and click on Quick Company Wizard.
{Default Username: admin Default Password: admin}

The user will need to enter the information as the screen below.

A screenshot of the 'CHEQUEPRO SETUP WIZARD' window. The window title is 'Cheque PRO 7.0'. The main heading is 'CHEQUEPRO SETUP WIZARD' with a sub-heading 'Welcome to CHEQUEPRO setup wizard, the wizard would run through the basic steps required for CHEQUEPRO to run.' The form is titled 'COMPANY SETUP' and contains the following fields:

- COMPANY NAME: Advanced & Best Technologies Pte Ltd
- USER NAME: Michelle
- PASSWORD: *****
- CONFIRM PASSWORD: *****
- COUNTRY: Singapore (dropdown menu)
- BANK CODE: DBS
- BANK NAME: Development Bank Of Singapore
- ACCOUNT NO: 147-301-766-6
- CURRENCY: SGD
- CHEQUE: OPEN FIXED
- NO. OF CHEQUE: 50
- START CHEQUE NO: 300050
- END CHEQUE NO: 300100

At the bottom left, there is a link for 'Quick User Guide'. At the bottom right, there is a yellow 'CREATE' button.

01. Enter the company name
02. Enter the desired user name
03. Enter the desired password and confirm password.
04. Select the country name of your bank
05. Enter the bank code {usually a shorter name of the bank}
06. Enter the bank name.
07. Enter the bank Account number
08. Select the cheque range, either can be open meaning a cheque number is to be entered when-ever a cheque is to be issued, Or enter the cheque number range from your cheque book provided by the bank {The Cheque range can be changed at a later stage if required}.

And click in CREATE button. Upon successfully completing the quick setup wizard, the login screen will appear with newly added information.
